Due to different diffusion properties, the same colour will vary dependant on different surface textures and lighting conditions.
The printed colours shown here should be treated as a selection guide only.
An actual sample should be shown to confirm exact colour requirement.

Specialist Products

PP Exel - 203 x 102 mm Grey Permealock pavers

Permea Lock

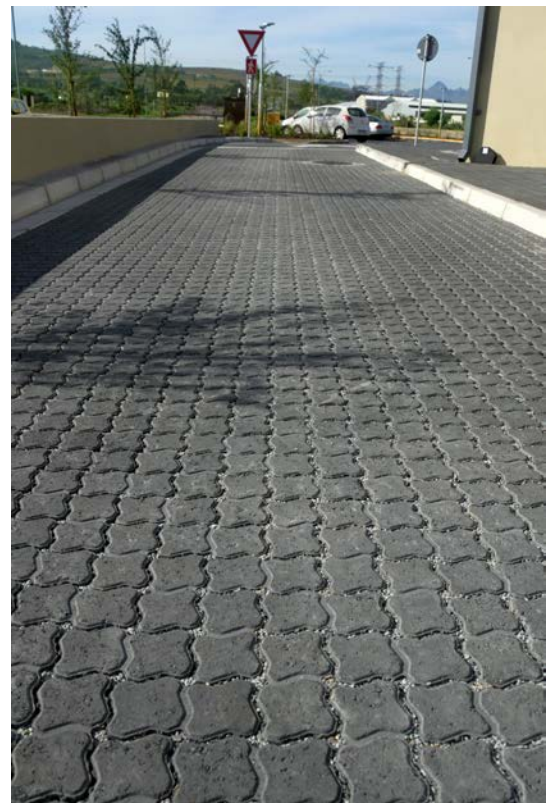

Module

- 203 x 102 mm
- 80mm thick
- 4mm joint

Permealock is a permeable interlocking concrete block paver which is designed in such a way that it allows through-flow to run down, between the pavers, into the sub-structure.

The permeable pavers have been designed in such a way that, once laid, sufficient spacing will have been created to allow permeability. Water can then penetrate the base layers in order to meet the design criteria.

Permealock is an engineered product which forms part of a Sustainable Urban Drainage System allowing for increased water management at source

Shell Garage - 203 x 102 mm Permealock in Charcoal color

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

The image displays six bags of PPC cement products, each with a distinct color and application:

- SUREROAD** (Yellow/Black): CEMENT FOR ROAD STABILISATION. Features a yellow triangle and the text "HIGH COMPRESSIVE STRENGTH".
- SURECAST** (Red/Black): PREMIUM CEMENT FOR PRECAST PRODUCTS. Features a red circle and the text "HIGH TENSILE STRENGTH".
- SUREBUILD** (Red/Black): PREMIUM CEMENT FOR GENERAL BUILDING & CON. Features a red circle and the text "HIGH COMPRESSIVE STRENGTH".
- SURETECH** (White/Black): PREMIUM SPECIALIST CEMENT. Features a white circle and the text "SUPERIOR TENSILE STRENGTH".
- SURECEM** (Green/Black): CEMENT FOR CONCRETE, WHITING, PLASTER & REPAIR. Features a green circle and the text "EASILY APPLIED TO ALL SURFACES".
- SUREWALL** (Orange/Black): CEMENT FOR PLASTER & MORTAR. Features an orange circle and the text "EASILY APPLIED TO ALL SURFACES".

All bags prominently display the PPC logo, which consists of a circular emblem with a stylized figure and the text "PPC STRENGTH GUARANTEED".
