At TLC, we have built our business around 3 core concepts:

- 1 Exceptional customer service
- 2 Partnering with the best suppliers and
- 3 Ensuring our installations don't just meet, but exceed, our client's expectations.

Via our extensive supplier network, we source the best European standard flooring products. Our product range includes:

- Engineered Wood flooring (floating and glue down)
- Laminate flooring
- Luxury Vinyl Planks
- Luxury Vinyl Sheetting

We also firmly believe that '*local is lekker*' and are proud to have **Nouwens** and **Belgotex** as our primary carpet suppliers. With these two proudly South African brands we are able to offer our clients a full spectrum of carpets, including: Easifibre, Polyester, Acrylic, Nylon, Wool and Naturals.

All our installations come with a 5-year workmanship warranty.

At TLC Blinds we offer the perfect window covering to suit all your needs. We supply and fit the following blinds, shutters and transparent burglar bars:

- Venetian – wood, fauxwood and aluminium
- Roller – blackout and sunscreen
- Roman
- Vertical
- Aluminium security shutters
- Polybars – transparent burglar bars

All our blinds come with a 1-year fitment and manufacturer warranty.

We offer a wide variety of Synthetic turf options for your home, office and events.

Our turn key grass installations include ground preparation, base work and installation, whilst we also offer supply only options. Our suppliers, Belgotex and Nouwens provide us with the best synthetic turf products, manufactured specifically for our harsh South African climate.
